

## ***What's On June / July 2024***

Unless otherwise stated, all activities and events take place using Zoom or MeetUpCall, with capability for you to join in by telephone. The event will state which application it uses.

### **Using Zoom**

Unless stated, just follow this link to access Sight Advice Zoom Meetings: <https://us02web.zoom.us/j/4580437872>

Alternatively, go to the Zoom website and use Meeting ID 458 043 7872 for all events. To access Zoom, go to [www.zoom.us](http://www.zoom.us)

If you wish to join on the landline telephone, please dial 0203 481 5237 and when asked put in the Meeting ID 458 043 7872

You might also be asked to enter hash at the end of this number (bottom right button on phone dial). The call may be charged at a local rate, however if, like many people, you have a free calls package it will probably be free. If in doubt, please check with your phone provider.

### **Using MeetUpCall**

People will be dialled in so please get in touch to be added to the meeting. Your phone will ring at the time of the session. Answer your phone and you will be asked to press 1 and you will then be in the session.

Alternatively, you can dial 0300 37 30965 from a landline and enter room code 172 272 76 just after the stated time of the event.

Please dial in if you have Call Guardian on your phone, DO NOT disable it to access these sessions. The call is free from landlines but not mobiles.
